KP: By the galaxies in the sky! Are you ok?
L: I think? I feel all tingly. Did I really scream just now?

L: The electricity even burned the paint off!
KP: And they STILL didn't wake up? Yeesh...

Wait, isn't that a good thing, though? If they can sleep through anything, then us leaving should be a piece of cake!

CLINK!
CLINK!

Uhh, hehe…maybe they're gonna play rough?

L: Ohoho no. They're definitely aggressive.
KP: Run?
L: Run.
